THE BRAINY ROADMAP

To attain Success In Both Worlds, we have set the step by step technique called 'The Brainy Roadmap' for our children to achieve the GOAL MASTERY based on 5 SPICE Elements.

WHY

Understanding THE BIG WHY; the reality that is happening around them and inside themselves. This is important for our children to keep motivated and continue to take the steps forward.

NIAT

Setting THE RIGHT MINDSET is important for our children to have a clear intention and objectives that they wanted to succeed.

GOAL

The Mastery Target is to have a Clear Vision of what they need to master in every aspects of SPICE even though it may took them many years.

PRACTICE

Setting a New Routine in their daily life. Starting with the minimum daily KPI until the practices becomes a habit.

IMPACT

The final step is to Love Others. Becoming a master in all aspects of SPICE does not mean anything if they did not help others becoming as good as them or better than them.

SUCCESS IN BOTH WORLDS

Ultimate Goal

Impactful

Being impactful to others in a positive way is an important factor to success in both worlds.
